

## STARLITE®

Still the One. The Original. The Best. Popular, innovative design combines low-cost protective eyewear with all-around impact protection.

- Sleek, compact appearance and stylish unitary lens provides a wide field of vision.
- Ultra-lightweight design is easy to wear all day, helping improve safety compliance.
- Deep, universal-fit temples provide side protection identical to large side shields.

## STARLITE® FOAM

Popular StarLite design with soft foam edge to block debris from above and absorb perspiration.

Item	Temple	Lens
46FM79	Black	Clear Anti-Fog
46FM78	Black	Gray Anti-Fog

StarLite safety glasses have been independently tested to the ballistics section of the U.S. Military Standard, MIL-PRF-31013, Clause 3.5.1.1. Why test to so stringent a standard? Just ask Robert Moctezuma, who saw a bolt blast into his safety glasses. The bolt became embedded in his StarLite safety eyewear, but left him unhurt.
