

# DuraSpray, DuraSpray V & Industrial Series

## DURASPRAY & INDUSTRIAL TANKS FEATURE:

- Poly molded, heavy-duty design at an economical price
- Funnel top for environmentally-friendly filling
- Braided chemical resistant hose for extra strength
- Designed with an internal pressure release valve that will not allow pressure to exceed 55 psi, therefore, no external pressure relief valve is needed, which is vulnerable to breakage
- Valve locks off to prevent accidental discharge
- Valve locks on for constant spraying
- Fully repairable pump design—No tools needed
- Heavy-duty metal pump rod
- Lifetime tank warranty\*

Deluxe Tip Kit Available  
Item # 42010000
