

GatorAnchor® Dolly - Tried and Tested

Independently tested and proven to have 50% improvement in tip resistance over standard 18" dollies

Standard Dolly

with GatorAnchor® Dolly

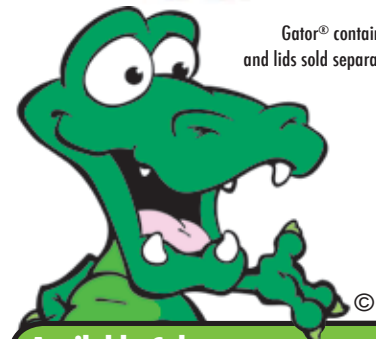

Gator® Containers

- molded with highest quality polyethylene resin
- one piece molded construction creates high impact and crush resistance
- with lid locked, container is animal and spill resistant, even if tipped over
- offset ridge design allows container to nest without jamming
- handles have a larger radius and deeper well, making container more comfortable to lift and move
- private labeling available on Gator® Containers
