

# Hi Sudz Hand Dish Soap

## Food Service

### DESCRIPTION

This liquid dishwashing detergent is a pleasantly scented, highly concentrated blend of mild, synthetic detergents, water softeners, grease emulsifiers and emollients powerful enough to cut grease, dried-on-food and other hard to remove substances from pots, pans, dishes, glassware and silverware. This product has been specially formulated to be kind to skin. Complete spot-free cleaning eliminates the need for hand drying. This product is acceptable for use in nonprocessing areas of food processing establishments (formerly USDA Category C1).

### DIRECTIONS

Read the entire container label before using the product.

Use 1 oz. of product per 6 gallons of running water. Add additional product for pots and pans and other heavy cleaning.

### FIRST AID

Have the product container or label with you when calling a physician or when going for treatment.

**IF IN EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses after 5 minutes, if worn. Get medical attention if irritation develops and persists.

**IF SWALLOWED:** Call a physician immediately. Do NOT induce vomiting unless directed to do so by qualified medical personnel. Never give anything by mouth to an unconscious person.

• For additional information, see Material Safety Data Sheet (MSDS) for this material.
