

Ethanol-Based Hand Sanitizer Spray for the Food Processing Industry

- Kills 99.999% of Germs in 15 seconds
- No Rinse: Meets FDA GRAS Specifications
- Meets H.A.C.C.P. Guidelines for Consistent and Measurable Results
- Enhanced with Natural Emollients to Soften Hands
- **The Industry Leader:** Used in more than 6,000 Food Processing Plants

Advanced Efficacy - Tested against more than 25 pathogens

25% of all food contamination is the result of poor or ineffective hand hygiene. Handwashing alone is not enough. **Alpet E3 Plus** liquid hand sanitizer is *sprayed* onto the hands. Used with Best's hands-free dispensing systems, **Alpet E3 Plus** delivers unparalleled efficacy.

More than 90% of germs on the hands are found under fingernails and around the cuticles. **Alpet E3 Plus** saturates the creases and crevices of the hands for more effective coverage than gels or foam products.

KEY FEATURES

Alpet E3 Plus is a waterless alcohol spray hand sanitizer which eliminates 99.999% of both gram-negative and gram-positive bacteria. Since research indicates 90% of germs on the hands are found under fingernails, atomization of Alpet E3 Plus ensures sanitizing of the entire surface of the hands including fingertips, nails and cuticles that are potential harbors for microorganisms. Safe for hands to have food contact without rinsing. Formulated with GRAS rated compounds. Formulated w/ natural emollients to soften hands. Unscented.

AUTHORIZATION

Meets current FDA requirements for hand sanitizing compounds. Also meets previously accepted USDA standards for the E3 rating. NSF Approved. Kosher/Pareve Certified.
