2013 CATALOG Hand & Arm Protection

GENERAL PURPOSE GLOVES

Northflex®

Foam PVC Coated

- Advanced 15 gauge seamless nylon liners are stretchy and form fitting
- Foamed PVC coatings are soft and flexible, for shock and vibration absorption, but are tough enough to offer abrasion resistance comparable to polyurethane
- · Specially engineered open surface texture that clears liquids from surfaces and enables a very firm wet-grip

SKU	Description	Sizes	Inner Pack/ Case Pack		
Nylon with	Foam PVC Coating				
NF11	Red liner, with black PVC	6XS-11XXL	12 Pr/144 Pr

*People react differently to cold. What is comfortable to some may be uncomfortable to others and factors such as level of exertion, precipitation, wind chill and humidity will affect how cold a person feels. Working temperature recommendations are made in good faith but may not apply to all individuals and all situations.

Oil-Grip™ Gloves

- Advanced MicroFinish® surface provides exceptional grip in oily applications
- The nitrile surface is textured with thousands of microscopic pockets that disperse fluids and allow a high level of surface contact between glove and object
- Two stage coating is impermeable to liquids, helping to keep hands dry
- Lightweight, 13 gauge seamless nylon liner is form-fitting and comfortable

sku	Description	Sizes	Inner Pack/ Case Pack
NF35	Dark green liner, black micro-finish	7S-11XXL	12 Pr / 144 Pr
NF35F	Dark green liner, black micro-finish full hand coating	7S-11XXL	12 Pr / 72 Pr
