ALL CABINETS INCLUDE STANDARD FEATURES & BENEFITS SHOWN ON PAGE 5

**PI-32LEGS

is Manual Close

Tower cabinets include 4" adjustable legs for the added benefits of:

- Placing cabinets over floor or wall ventilation
- Providing easy cleaning under cabinet
- Protecting the cabinet in areas where floor moisture is a concern
- Moving with a forklift or pallet jack

Did you know?

The use of approved safety cans is your first layer of protection against fire. Storage of safety cans in approved safety cabinets provides your second layer of protection.
