IT'S THE LAW

NEC Standard, Article 110.16 Flash Protection, "Switchboards, powerboards, control panels and motor control centers shall be field marked to warn off potential electric arc flash hazards."

Standard is enforced by local electrical inspectors, fire marshals, in addition to full enforcement by OSHA under the General Duty Clause.

Write-On Inspection Labels

» Ideal tag for the toughest abusive, dirty and greasy environments.

Polyethylene .060 (Stencils)

Stencils are constructed from a water-resistant, lightweight durable plastic. Custom marking stencils can improve plant and warehouse safety, pedestrian and traffic flow. Just lay stencil on floor or pavement to paint. Simply re-paint or spray if graphics are worn or washed-out. These .060 Polyethelene stencils are long lasting.
