Honeywell's protective footwear line includes high performing, durable shoes and boots that are ergonomically engineered for superior comfort, protection and style. Our footwear products let you focus on the important things that you do all day, while feeling safe and at ease. With over a century of expertise and a strong heritage of craftsmanship, Honeywell offers a collection of footwear brands that offer you the right protection in any hazardous environment.

Honeywell's portfolio of premium safety footwear brands offers a one-stop-shop for Leather, Neoprene, PVC and Rubber footwear in a variety of boot and shoe styles, with safety features to suit most hazardous environments.

Your choice in Footwear can help you reduce the cost of injury, increase worker productivity and, more importantly, save your workers from a possible lifetime of chronic pain.

Our Honeywell Sales Representatives can perform an on-site, slip-and-trip hazard assessment to demonstrate how you can increase your safety record by selecting the correct footwear for the environment.

▲ WARNING! Honeywell Safety Products should only be used in conjunction with the manufacturer's instructions. Failure to follow such instructions could result in serious injury or death.
