

Magnum 45

The Neese Magnum 45 series is a medium weight yet heavy-duty nylon fabric coated with strong and flexible neoprene to provide maximum cold weather flexibility with a high resistance to abrasion. The Magnum 45 Series garment features strong double stitched and tape sealed seams throughout the garment for maximum protection. The Magnum 45 series will stay pliable down to 20F and has excellent chemical resistance. The Magnum 45 series is great for tough and rugged applications for lasting results.
