

WOMEN'S RIMLESS

Eva™

MEETS ANSI
Z87.1+

The first safety eyewear designed specifically for women in the workforce

- >> Smaller and more narrow than standard safety glasses
- >> Eva's construction allows the eyewear to better fit the facial structure of a woman
- >> Provides a more secure fit on the nose
- >> Lightweight, rimless design provides all day user comfort
- >> Pink rubber co-molded temples provide a secure fit
- >> Molded nose bridge design to fit the vast majority of users
- >> Also meets CSA Z94.3 for the item #'s noted below
- >> 10 Base curve lens

Item #	Temple	Lens & Coating

250-12-0300	+3.00 Diopter	Clear/Pink	Clear, Anti-Scratch/Anti-Fog

Breast cancer has impacted everyone in one way or another, and Eva™ provides a great venue to promote awareness. Perhaps one more woman in the workplace will get a mammogram because she sees the pink ribbons on all of her co-worker's glasses. PIP has partnered with the American Cancer Society®, and is donating a portion of all proceeds to assist in finding a cure for Breast Cancer. Please help PIP support this wonderful cause as we provide a VISION FOR A CAUSE!
