

Sparkling Glass Cleaner

General Cleaning

DESCRIPTION

A multi-purpose utility cleaner designed to clean glass, and virtually all hard surfaces. Dries quickly and without streaking. Contains no ammonia. This product is acceptable for use in nonprocessing areas of food processing establishments (formerly USDA Category C1).

DIRECTIONS

Read the entire container label before using this product.

Apply full strength to surface to be cleaned using spray. Dry and polish surface with a clean lint free cloth. Best results are obtained when using two cloths, one for drying and one for polishing. Ready to use.

FIRST AID

Have the product container or label with you when calling a physician or when going for treatment.

IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses after 5 minutes, if worn. Get medical attention if irritation develops and persists.

IF ON SKIN: Immediately flush skin with soap and water. Call a physician if irritation develops and persists. Remove contaminated clothing and wash before reuse.

IF SWALLOWED: Call a physician immediately. Do NOT induce vomiting unless directed to do so by qualified medical personnel. Never give anything by mouth to an unconscious person.

• For additional information, see Material Safety Data Sheet (MSDS) for this material.
