

MAXIM[®]

Pine Disinfectant Cleaner

DS 406

DESCRIPTION

This disinfectant is effective against a wide variety of gram-positive and gram-negative bacteria. This product is also an excellent deodorant and is especially effective in controlling odors that are bacterial in origin. This product mixes with water to form clear, stable use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals. The pleasant pine scent of this product makes cleaning easy and always leaves surfaces with that "just cleaned" smell.

DIRECTIONS

Read entire container label before using this product.

Apply the use solution with a clean mop, sponge, cloth, squeegee, or mechanical scrubber.

FOR DISINFECTION: Thoroughly wet the surfaces to be treated. Surfaces must remain moist for at least 10 minutes to assure proper germicidal action. Wipe dry with a clean cloth or sponge or allow to air dry. Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use this product on utensils, glassware or dishes. Prepare fresh use solutions daily. Do not reuse solutions. Discard solutions when they become visibly soiled.

When used as directed this disinfectant is effective against the following:

Candida albicans, Enterobacter aerogenes, Escherichia coli, Herpes Simplex Virus Type 2, Influenza Virus Type A/Brazil, Pseudomonas aeruginosa, Salmonella enterica, Shigella sonnei, Staphylococcus aureus, Streptococcus pyogenes.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

APPLICATIONS
