

## Virtually every face shield, for every job, for every brand hard hat.

Only ELVEX® can offer you so many choices for safe, cost-effective head and face protection. And using our **QuickSnap™** system you can place nearly 30 face shields and visors on any major brand of safety cap, then add one of our 16 cap-mounted ear muffs and COM systems alone or in combination with our shields. It's a versatile, all-in-one face/head/hearing protection system. Just one reason why people say, "I prefer ELVEX®".
